DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This house is located on the south side of West Salisbury Street. It is attached to a larger stone house which faces onto Vermont Street. Covered with lapped wooden siding of various widths, it is a one story, three bay log structure with a central chimney. Windows have two over two pane sashes. The main entrance is in the center bay and does not include a transom. Probably built of logs, this small house could date from the late 18th century.
